

Study Guide 3 – CLERKING Program Learning/Performance Objectives

Junior Official Program Study Guides

The purpose of the Study Guides in this program are to help you acquire the knowledge needed to be able to understand and create a brief statement of the information that you will need for course completion and future knowledge. You might think of this Study Guide as a mini-outline to the different official positions that are contained in Track and Field competitions. Consider this Study Guide as a condensed version of all of the important information that you will need to complete the Junior Officials Program successfully.

Each Officials duties, skills and behaviors are contained in the 17 different Study Guides offered in this program. These Study Guides are a combination of

- Adopted USATF 2020 Competition Rules.
- Best Practices (those skills that describe "what works best" in a particular situation or environment). These Study Guides are data supported successes and researched supported over time, as offered by Track & Field officials in the quest for accountability for reliable methods.
- USATF Code of Ethics
- USATF Professional Guidelines

Procedures

Once you have the Study Guide in front of you, do more than just read it. Take the time to look at the material to understand what you will be asked to do. Start by reading the description to formulate a big-picture idea of what your Mentors assessment will look like. Then, review the list of concepts.

Quizzing yourself is a highly effective study technique. Make a copy of the Mentors Checklist and carry it with you to the meets so you can review the questions and answers periodically throughout the day and across several days/meets. Identify the questions that you don't know and quiz yourself on only those questions. Say your answers aloud.

The important skills needed in this Guide correspond to the Learning and Performance Objective numbers that begin with the abbreviation **C** (**Clerking**) - (**C1-C27**).

Ask questions of your Mentors, they are there to answer your questions and guide you to learning and performing as a USATF official.

Good Luck to you on your journey to become a USATF Certified Official!

USATF RULE 138 – CLERKING (C1)

- 1. The Clerk of Course shall control the Assistant Clerks of Course and assign them to such duties as deemed proper.
- 2. The Clerk of Course shall be provided with the names and the numbers of all competitors entered in running or walking events, and he/she shall notify them to appear at the starting line or other assembly area before the start in each event in which they are entered.
- The Clerk of Course shall supervise the transit between the warm-up area and the
 competition area to ensure that the competitors after being checked-in are present and
 ready for the scheduled start of their event.
- 4. The Clerk of Course shall place each competitor in the correct lane or position. The Clerk shall place the competitors "under the command of the Starter" by assembling them in each lane or on the common start line, at the direction of the Starter between 1m and 3m behind the start line, with each competitor in a standing position and facing in the direction of the race. When this has been completed, the assigned Clerk shall signal to the Starter that all is ready. When a new start is ordered, the assembly shall occur again.

- 5. The Clerk of Course, and Assistants, shall ensure that competitors are wearing clothing, shoes, and spikes which are in accordance with USATF Rules. The Clerk shall verify that bibs correspond to those on the start list and are worn correctly. The Clerk shall also be responsible for distribution and proper placement of additional identification items used to aid in announcing and judging.
- 6. In handicap events from marks, the Clerk of Course shall place each competitor behind the proper mark and shall immediately notify the Starter should any competitor attempt to advance after the Starter has given the final oral command to the field.
- 7. In time allowance handicap events, competitors shall be assigned their positions by the Clerk of Course, who shall also furnish the Starter with the number and time allowance of each competitor.

WHO IS THE CLERK OF COURSE? (C3)

- USATF Rule 138
- NCAA Rule 3-6

- Give all necessary instructions regarding the race.
- Announce lane assignments and hold competitor responsible to report promptly to the starting line.
- Enforce uniform, visible apparel, shoe regulations.
- May adjust heat/lanes due to circumstances that would make the original draw unfair to competitors. MUST BE DONE WITH THE REFEREE AND REPORTED TO THE FINISHLINE IN WRITING!

Common Sense Rules to Live By... (C4)

- Stay a race a head.
- Keep instructions on the line minimal, do almost all in staging.
- Control run-outs.
- Look for block slips / trouble with run outs.
- Instruct block holders.
- Keep athletes moving, but do not rush.
- Don't let one delay the group.
- Ensure all are ready prior to turning over to the starter (get visual confirmation from starter).
- Document problems, corrections, violations (and time of each) and inform Head or Referee as needed.
- Stay consistent in instructions and procedure.
- Prevent, Prevent, Prevent.

Related Rules - Don't forget Masters and Youth Modifications!

- Uniforms (USATF 143, NCAA 4-3, NFHS 4-3) (C5)
- Spikes (USATF 143-3c, NCAA 4-3-5, NFHS 4-3-1a(3)) (C6)

- Electronic Devices (USATF 159, NCAA 4-1-17, NFHS 3-2-8) (C7)
- Blocks and block holders (USATF 161, 302.2e, 332.2d, NCAA 2-2, 5-1-3 NFHS 5-4-1, 5-7-7) **(C8)**
- Relays (USATF 170, NCAA 5-8, NFHS 5-10) (C9)
- Batons (USATF 170-4, NCAA 2-5, NFHS 5-4-3, 5-10-5) (C10)
- Receiving Baton/After passing (USATF 170-16,18,19, NCAA 5-8-4,6, NFHS 4-10-11) (C11)
- Forming Heats (USATF 166, NCAA 5-11, NFHS 5-6) (C12)
- Responsibility to Report (USATF 142, NCAA 4-2-1, NFHS 4-1-3,4) (C13)

Check-in / Staging (C14)

- Check and enforce uniform/spikes, oversee corrective actions.
- Report to the Head or Referee.
- Inform of check in time, time to report back, escort time, and start time.
- Ensure bib numbers match competitor.
- Check legality of batons.
- Denote "checked in" by circling the position/lane number (Recommendation for clarity).
- Note scratch (SCR), Did not show/start (DNS) and the TIME of each.
- Report to the Head or Referee.
- Log for failure to participate.
- Note the time entries closed on sheet, mark those not checked in.
- Report to the Head or Referee.
- Log for failure to participate.
- Identify any races that could be combined after entries are closed.
- Report to Head or Referee.
- If making calls, note on the sheet the time of the calls.
- Identify those who are also competing in simultaneous field events.

Escorting (C15)

- Line up each race in the order of start.
- Distribute and/or check placement of hip numbers to ensure all can be seen.
- Give instructions regarding the race (start, break line, relay zones, what to do after passing baton,) and advancements to next round.
- If the field event athletes check-in with the clerks instead of at the venue, gather those competing in the field events *before* heading to the venue.
- Escort in predetermined route to the start in single file line.
- Avoid cutting in front of field events, being on the track during a race, staying too close to the start or other events.
- DON'T MISS OR LOSE ANYONE!
- REPORT ANY MISSING ATHLETE IMMEDIATELY TO THE HEAD!

• Let the athletes know how the athletes advance to the next level of the competition. It should be written somewhere on the heat sheet. If not, find out the information prior to the event to let the athletes know. Ex. If there are 8 heats in the 200 meter race, how do the athletes advance to the next race? Top fastest times? Winner of each heat? This is very important information for the athletes.

Line Clerking (C16)

- Control the starting line before turning over to the starters.
- Remove those from the area not directly involved.
- Keep meet moving, but don't rush athletes.
- One (1) run out is generally enough at all age levels, unless a block slips.
- Secondary line for additional run outs.
- Keep an eye on run outs to insure all get the same number and there are no problems with blocks.
- Also make sure area is clear and safe for run outs.
- Instruct block holders (if allowed).
- May have to serve as a block holder (if directed by the starter).
- Instructions short and concise (generally just inform of starting line, commands, and break point).
- Assemble all behind blocks or on step up marks after run outs.
- Ensure finish is ready before turning over to the starter.
- Visually and verbally turn over to the starter.
- Inform starter of open lanes, finish line/timers of DNS.
- During start commands, stay well behind line or outside the track.
- Will need to stay by the start line to reassembly if a start is canceled or recalled.
- Mark on sheet any false start (FS), green card (GC), yellow card (YC), red card (RC), did not start (DNS) next to the appropriate runner.
- DNS after checking in or runner showing up to the line without being checked in needs to be reported to the referee.
- When lining-up multiple heats, it is best to keep the heats separated. This cuts down on the athletes ending-up in the wrong heats/lanes. Even though another clerk may have checked them in before bringing the heats out to the Line clerk, it is important to double check each athletes name/bib# when putting the athletes on the track. (This is a potential mistake that happens more at youth meets.)

HEAD CLERK (C17)

- Assign and oversee all clerks.
- Report to the referee any violations, no shows, potential combined heats, etc.
- Keep record of all SCR/DNS and identify (with timing company) any other events to enforce failure to participate.

Frical Study Guide 3 – Clerking

- Ensure uniform corrections are made.
- Making call schedule (if being used) and see that it is carried out.
- Making reporting/escorting schedule
- Be able to step into any role as needed
- Keep master copy of all sheets marked on through the duration of the event.
- Keep all of the paperwork to turn in at the end of each day/meet unless no one asks for it.
- Do not throw any paperwork unless the heat/event has been revised by the Finish Line/and/or meet management/ or the Referee. Throw away any out-of-date paperwork. Highlight the revised time/date of the revised paperwork to make sure everyone is using the correct paperwork.

EQUIPMENT (C18)

PRE-MEET PREPARATION (C19)

- Never assume your area will be set up when you arrive
 - Sometimes 1 hour prior is not enough to get set up
- Identify schedule with meet management
 - Rolling vs time schedule
 - Make or review call schedule
- Clarify check in procedure with meet management
 - Can athletes leave area once checked in?
 - Check in area or all at the line?
 - Time check in closes for each event?
 - How soon before a event will races be combined if needed?
 - Relay cards?
 - Checking in of field events?
 - Procedure for those in field events and running events?

- Obtain sheets and mark all with Check in time, reporting time, escort time and starting times. Make sure you know and understand the paper flow.
- Make sure to have a duplicate set of sheets.
- Walk track as a crew and identify all starts, break points, relay exchanges, time it takes to walk to each start.
- Meet with the clerks at the beginning of each day of the meet to make sure all clerks understand what their assignments and expectations are and for any meet changes. Be available to ask questions and receive any answers, if needed.
- Determine traffic flow from check in area to starting lines.
- Keep direct, but avoid crowding field events, cutting around throws, crossing infield, TV cameras, etc.
- Meet with starters.
 - How will they know when athletes are in their control?
 - Extra instructions needed?
 - Special requests?
- Meet with finish line / timing company.
 - Synchronize time.

 - Find out the Procedure for making changes in heats/lanes. Make sure to let the Finish Line know of changes prior to the race.
- Meet with Referee.
 - Procedure for combining events.
 - Violation reporting.
 - · Location if needed for ruling.

KEY POINTS (C20)

- Efficient clerking leads to efficient and smooth meets.
- Many details frequently overlooked.
- Can stop many problems before they become issues.
- Concise instructions
- Know your audience
- Keep flow moving, but don't rush athletes.
- Be heard, but don't scream.
- Report any issues to appropriate personal and document with the TIME.
- Stay safe.
- Work from behind athletes
- Hydrate

Sun protection

MISTAKES (C21)

- Working from the wrong rule book.
- Inconsistency.
- Illegible markings or multiple types of markings on sheets.
- Not reporting violations or scratches.
- Not documenting TIMES of each.
- Missing calls.
- Missing athletes.
- Too many instructions at the line, or wrong information.
- Not knowing the track markings or layout.

SITUATIONS FOR DISCUSSION WITH YOUR MENTOR - (C22)

- Athlete reports to clerk, unable to check in due to not having number/uniform. He
 leaves after asking when the latest he could check in was. He reports back after the 30
 minute cut off time before the event with his number/uniform during the
 staging/hipping process. This is a NCAA Championship Meet.
- Clerking is being done at the starting line. The runners are instructed to remove warm ups after run outs. One athlete realizes she does not have her uniform. This is a HS meet.
- The meet is using a declaration process (runners have until a specific time to declare their intent to run, then all declared are seeded into heats). Only one runner from a team declares and the rest of his teammates just show up to the staging area prior to the race. This is a NCAA Conference Meet.
- An athlete informs the line clerk of his intent to false start.
- A coach wants to change his relay runners after turning in a relay card.
- A coach or teammate tries to check in another runner.
- You are the only assigned clerk, where do you prioritize yourself and any lay volunteers?
- Calls or no calls? (NFHS 3-15-2, NCAA?, USATF?) Individual calls?
- The clerk identifies a situation where only 8/10 entered competitors check in for the hurdle trials. He/she reports this to the referee who declares no trials needed and all will roll over to the finals in the originally scheduled order of events. The 2 remaining athletes show up during staging. General calls were announced over the stadium PA. This is an USATF JO Regional.

Clerking Area Venue Checklist (C23)

• Is the area smooth with no bumps, holes, or obstructions?

- Is it located away from but near the track and field venues?
- Does it have easy and safe access to venues?
- Does it have sufficient space for athletes?
- Is there a secure area for athlete bags?
- Are spikes permitted in the warm-up area? If not, is there an alternate warm-up location?
- Will water be available for the athletes in the clerking area? If not, where?
- Where is the warm-up area?
- What are the warm-up area guidelines?

Track Surface (C24)

- Is the surface level without bumps, bubbles, holes or gaps?
- Is the track clear of obstructions?
- Are the curbs in their appropriate place? If not, are there cones?

Venue (C25)

- Is there an obstacle-free zone on the inside and outside of the track at least one meter in width?
- Is the track properly cordoned off to keep spectators from entering and to control entrance to venues?
- Is there a location for competing athletes to wait for their heat/section?
- Is there an easy exit from running events?

Blocks (C26)

- Are the blocks stored on a cart or at least one meter away from the start, finish, inside, and outside of the track?
- Are there adequate holding pins secured in bottom of the block? Hurdles
- Are the hurdles properly stacked on carts or piles one meter from the inside or outside of track?
- Are the hurdles easily adjusted to the proper height?
- Are the weights easily adjusted for the proper height?
- Are the steeplechase barriers securely fastened and at the proper height?

RULE 142 COMPETITOR CHECK-IN (C27)

1. All runners and walkers shall report to the Clerk of Course immediately upon their arrival at the place of meeting and no later than the check-in time designated in the entry blank or the meet information distributed by the Games Committee. All field event competitors shall report to the Chief Field Judge of their respective events at the designated time unless instructed to report to the Clerk of Course in the entry form or meet information distributed by the Games Committee.

NOTE: *See Rule 166.6.*

- **2.** Each competitor shall inform himself/herself of the time of starting, and shall be promptly at the starting point of each competition in which he or she is entered, and there report to the Clerk of Course.
- **3.** In scored competitions, an athlete shall be disqualified from participation in all further events in the competition, including other events in which participation is occurring simultaneously, where:
 - (a) A final confirmation was given that the athlete would start in an event but then failed to participate;

NOTE: A fixed time for the final confirmation of participation shall be published in advance.

- (b) An athlete qualified in a qualification round of an event for further participation in that event but then failed to participate further;
- (c) An athlete failed to compete honestly, with bona fide effort. The referee will decide on this and a corresponding reference made in the official results.

NOTE 1: The situation foreseen in (c) shall not apply to the individual events of a Combined Event.

NOTE 2: Passing in a field event is an allowable action by a competitor and does not constitute failure to participate.

This rule shall not apply to track events in which only a final is held, but an athlete may be barred from such an event if previously he or she has not honestly participated in a track event within the purview of this rule.

NOTE: For Youth Athletics exception see Rule 302.2(g). For Masters exception see Rule 332.1(d)

4. The Referee has the discretion to waive the honest participation rule in the event an athlete provides a medical certificate, based on an examination by a medical officer appointed or approved by USATF or the Games Committee, attesting to the fact that the athlete became unable to compete after being declared, or after competing in a previous round, but will be able to compete in further events on a subsequent day of the competition. Other justifiable reasons, such as factors independent of the athlete's own actions, may, after confirmation, also be accepted by the Referee.
